

FREE 5 minute treatments in the Relax Far Infrared Sauna

Momentum98 - Booth: # 527-528 **SF New Living Expo**

YOU will Not Sweat !

It takes about 8 minutes to start sweating.
In 15 minutes you are dripping, and in 20 minutes you have had a complete sweat.

Many use the Relax Sauna in conjunction with other detox treatments. The incredible effects of those programs can definitely be enhanced by also using the Relax Sauna.

"I cannot believe how good it feels in 30 seconds!"
This was the comment of 2 well-known authors , one an MD, the other a PHD.

2 radiators -1500 watts generate
100% - FIR light 4-14 microns

20 of these patented
semi-conductor chips are
in each of the 2 radiators.

Some of the reasons why Consumers & Health Professionals prefer the Relax Sauna to other Far Infrared Saunas:

1. Medical Device Technology. Advanced semi-conductor chip - giving 100% FIR 4-14 um.
2. We are Pro-Choice. We give you the option to put your head inside or outside the tent.
3. We are a Green Product. We recycle the Far Infrared Ray Light . We use silver in our reflecting tent.
4. Completely Portable with its own carrying case. Weighs just 18 lbs. Tent Folds easily.
5. Medical Device Quality at an affordable Price. \$1195 sugg retail / Internet special: \$995.
6. No Warm-up Time. You start feeling good, warm and toasty in about 30 seconds.
7. Complete Sweat in 15-20 minutes. Usually takes only 8 minutes to start sweating.
8. Takes up very little space - Sit Up or Lie Down Models. Very small "Footprint"
9. Comes with quality insulated comfortable chair. Fold towel on seat, drape 2nd towel.
10. Very Easy to Clean. Zip up Sauna. Turn Sauna on. Kills bacteria in 5 minutes.
11. Scientific Documentation & Research. The Relax Sauna company has validation of quality & effectiveness.
12. We are receiving testimonials every day. Many are from people who have owned wooden FIR Saunas.
13. The cost of using the Relax Sauna is about 12 cents an hour.
14. The nylon tent with silver impregnated in it is not porous like wood, and does not attract bacteria.
15. The Relax Sauna is very easy to set up (3-4 minutes), and very easy to tear down (1 minute).
16. The RELAX Sauna radiators only generate a FIR very warm healing light. The skin does NOT get hot.
17. The RELAX SAUNA is MADE IN TAIWAN, known for making Quality Merchandise. In business for over 35 yrs.
18. Safety Certificates And Product Liability: We have dozens of certificates in many countries, including the US
19. The Guts of what creates the FIR Healing Light is definitely UL approved, as we use medical device technology.
