Test Result :

Test Item	Unit	Before	Processing 30 min later	Processing 1 hr later	Processing 2 hrs later
Total Bacteria Counts	CFU/ m ³	2.0×10 ²	1.2×10 ²	78	56

Relax Energy is created by hi-tech semi-conductor chips. They transform electricity into 95-99% pure Far Infrared Energy. It filters out near infrared Energy, which only gets the skin hot, and does not penetrate.

By Turning on the Relax Sauna for 5 minutes, after you have finished a session, the Relax Energy can kill germs and sanitize the Relax Sauna.
